[redacted] Comments.

(1) Troop movements by rail from and to the Wustrow AAA Range via the Krospelein and Neubukow railroad stations between 13 July and 3 August 1952 were previously reported [redacted] 25X1

25X1

[redacted] Paragraph 1 of this report continue the observations reported in the reference report. It is noteworthy that, with the exception of three troop trains, all other units were dispatched from Wustrow during the period from 8 August to 20 September 1952. As, [redacted] no troop trains were observed arriving at Wustrow during the same period, the above information is given credence. [redacted] 25X1

25X1

[redacted] the following units probably were dispatched from Wustrow:

To Damgarten. Probably an unidentified air force AAA unit from Puetnitz airfield

To Rostock. An unidentified artillery brigade of the LXXIX Mtz Rifle Corps; or, if the train was redispached from Rostock, an unidentified AAA unit.

To Dramse. AAA units of the 18th Mecz Div

To Boetzow. The 31st AAA Div of the Second Gds Mecz Army

To Magdeburg. The 3d Gds AAA Div of the Third Shock Army

The Welsow railroad station is situated on the Angermuende-Scheune railroad line; a troop train to Welsow cannot be identified. Some of the above troop trains were probably previously observed. They include:

- 25X1 [REDACTED] A troop train of the 6th Gds AAA Div (US) which was observed unloading at Chemnitz. [REDACTED] 25X1
- 25X1 [REDACTED] Two troop trains carrying components of the 2nd Gds AAA Div to Rehagen-Klausdorf; [REDACTED] 25X1
- 25X1 [REDACTED] A troop train of the 63d AAA Div (US) which passed through the Neubrandenburg railroad station. [REDACTED] 25X1
- 25X1 Troops arriving by rail at the Wustrow AAA range [REDACTED] probably included: [REDACTED] 25X1

From Bergen. Elements of the 4th AT Arty Brig (US) of the IV Arty Corps

From Magdeburg-Brueckfeld. Components of the 3d Gds AAA Div of the Third Shock Army

The troop train from the Greifswald [REDACTED] cannot be identified. It is believed that the train also came from Ruegen Island. 25X1

- (2) The two trains from Dranse to Frankfurt/Oder probably carried used motor vehicles of the 18th Mecz Div to the U.S.S.R. The troop trains to Altengrabow and Burg were probably loaded with artillery units.
- (3) The troop train [REDACTED] probably carried elements of the 348th Engr Bn of the 18th Mecz Div which returned from the Bittkau troop training grounds to Wittstock. [REDACTED] 25X1
- (4) These troop trains cannot be identified. [REDACTED] 25X1

(5) [REDACTED]

Although there were no indications of personnel reinforcements, it can be concluded that the incoming shipments of 51 tanks are for the filling up of this cadre division.

- (6) There are no indications whether these troop trains belong to another movement from the Wustrow AAA Range or whether they are in connection with the field exercises in the Northern Mecklenburg area. 25X1
- (7) The empty train at Magdeburg is believed to be used for the repatriation of discharges.
- (8) Probably troops from Schwerin were to be loaded on the flatcars assembled at the Schwerin railroad station [REDACTED]. The troop left for a field exercise and probably were to join other troops from Schwerin who marched through Perleberg toward Wittenberge and Bad Wilsnack on the same day. [REDACTED] 25X1
